

[WWW.BAPHR.ORG](http://WWW.BAPHR.ORG): **BAPHR'S 2009 "GREATEST GOOD GRANTS"**

The BAPHR Board of Directors recognizing the extreme funding crises faced by Bay Area non-profit agencies providing services for LGBT people in the 9 County Bay Area has authorized a sum of \$20,000 for "greatest good grants" in 2009.

This sum will be awarded as 20 unrestricted grants of \$1000 each to support the "greatest good" needs in programs for LGBT people. BAPHR will give preference to grant applications seeking funds to purchase HIV rapid test cases in agencies where state funding has been terminated.

The BAPHR FOUNDATION developed with donations, memorials and trust bequests from members and friends has distributed over \$1,000,000 in grants here in the Bay Area since 1987 to promote the health and wellness of our LGBT community. A wide variety of projects and programs have been supported. Major grants are gifted during even numbered years. The national economy and the sharp downturn in individual, corporate and foundation charitable giving has generated BAPHR's 2009 granting cycle in efforts to decrease the stresses on our vital non-profit community based organizations.

Honoring the tremendous work load carried by the staffs of non-profits, BAPHR's 2009 "greatest good grant" application is **brief**:

1. ***NAME OF AGENCY PROVIDING LGBT HEALTH AND WELLNESS SERVICES:***
2. ***AGENCY ADDRESS:***
